

SMT Catch up 2018

HERE FOR A GOOD TIME NOT A LONG TIME

This year we have had the pleasure of having two wonderful RMT work for us for a short time. They have both enjoyed working alongside the team and connecting with our clients through music therapy.

We said Farewell to Maybelle and wish her well in her move to Adelaide. We unfortunately also say farewell to Devin, who has been offered full time employment in Canterbury. Thank you to both for all their marvellous work. This term we welcomed Miriam, who has marvellous work.

WORKSHOPS/EVENTS

This year Jenny attended the Family's Open day at Hohepa. Kimberley co-facilitated an IHC accessible concert hosted by Chamber Music New Zealand with Julian Raphael and The Kugels. Kimberley was invited to be the Key Note speaker at New Zealand School of Music in Wellington.

She also presented at various U3A events throughout Christchurch. In September, Kimberley attended the Australian Music Therapy Conference in Sydney. It is so exciting to see the new research that is coming out about music therapy for people with neurological conditions. Contact us if you would like to book a workshop/presentation for 2019.

SESSION TIMES: KEEP YOUR TIME

Timetables for next year are being organised. Please let us know if you know of someone wanting music therapy or want to change your time or are planning on finishing your music therapy service, so we can adjust the timetables accordingly.

WE ARE CLOSED:

We will be closed over the school holidays from the 21st of December until the 28th January 2019. However, we will answer emails when we can.

LOOKING FORWARD TO 2019:

We have some exciting projects next year around Canterbury. We have a new RMT starting in March and a MT student starting in February.

Merry Christmas, from your Southern Music Therapy Team
